Hello friends...

Spring 2010 brings a time of renewal for all. Professionally, it is a good time to reconnect with our patients and express appreciation for the privilege of providing orthodontic care to each of them. Personally, it is a good time to reconnect with our friends and family and also express appreciation for each day of sharing and caring.

With excitement I look forward to the preparation for the annual *AngleSW* meeting in Kyoto, Japan. Thank you to our Japanese members who are working hard to host an outstanding meeting for us. Also, I congratulate Joe Pearson for his efforts to organize the scientific presentations. Finally, we need to know if you are planning to attend this meeting. I encourage each of you to attend and invite a guest to attend this exceptional meeting.

The meeting is scheduled for October 3-4-5, 2010.

October 3 – WELCOME RECEPTION

October 4 – Scientific Presentations

October 5 – Enjoy Japanese Culture

You can look on our website: <http://www.anglesouthwest.org> for more details about this meeting.

As you know, our Japanese members have regularly attended the meetings in the U.S. for many years. So, now it is time for the American members to make plans to attend this meeting in Japan and enjoy the hospitality of our Japanese members.

I have confirmed my airline reservationshave you???
